XPLORE PRO  
SHOWN

# THE NEXT GENERATION OF SLED/ATV TRUCK DECKS

Explore more! Our expandable sides allow you to explore on the weekend with your sleds or ATV's, and be pushed in for convenience during the week

Supertrac runs the length of the side extrusion & c/w 4 tie downs. Supertrac slides directly into the extrusion to give more deck space and secure the Superglide

The Telescopic ramp perfected by Marlon -  
The only way to go!  
(Snowmobile/ATV ramp with optional 16" side by side ramp shown)

LED bullet lights in your headache rack for assistance when loading and unloading. Lights underneath to light up your cargo space.
